In the version of the article initially published, in the "Fibroblast and myofibroblast heterogeneity" section, the text now reading "transcription factor 21 (TCF21)" originally read "T cell factor 21 (TCF21)" and has now been amended in the HTML and PDF versions of the article.

In the version of the article initially published, the last sentence of the "Iron transfer to the mitochondrion" section, "However, counterintuitively, MCU1 deficiency in myeloid cells leads to mitochondrial iron accumulation, not depletion", was incorrect and so has now been removed along with the corresponding reference. This correction has been made to the HTML and PDF versions of the article.
